

Dear flower friends.

We love you and we love Park City and for that reason with the recent developments surrounding the spread of COVID-19, Flowers By You wants to assure you that we are taking every step possible to ensure the health and safety of our clients, team members and community.

Effective Monday, March 16th, our storefront will be closed to the public until further notice. For those of you who are scheduled to receive flowers tomorrow and onward, we will contact you to ensure that you receive your flowers as promised. If you would like to avoid person-to-person contact, please let us know so we can make suitable arrangements.

During our store closure, if you would like us to deliver flowers to your home or to a loved one we are offering free delivery within an eight mile radius and are happy to offer curbside service – we are offering this service every Wednesday and Friday until further notice. Please call us at least two days in advance to place your order.

In our shop, we are busy sanitizing work stations, tools, countertops, floors, doorknobs, and credit card machine.

Our number one priority is to keep you, our team members and Park City safe, and will continue to address this situation as it evolves.

Until then, stay healthy and take time to smell the roses.

Doug & Kathryn
